The State Department of Toxic Substances Control (Department) and Mountain View High School (Respondent) enter into this Consent Order and agree as follows:

1. Respondent generates and stores hazardous waste at 3535 Truman Avenue, Mt. View, California 94040 (Site).
2. The Department inspected the Site on or about November 9, 2005.
3. The Department alleges the following violations:
  - 3.1. The Respondent violated Health and Safety Code section 25201 in that on or about November 9, 2005, the Department became aware that Respondent performed unauthorized treatment of a hazardous waste without holding a hazardous waste facilities permit or other grant of authorization from the Department. Respondent performed unauthorized treatment by using a crusher to crush used fluorescent lamps, a universal waste.

3.2. The Respondent violated California Code of Regulations, title 22, section 66273.14(c) in that on or about November 9, 2005, Respondent failed to properly label three boxes containing used fluorescent lamps with one of the following phrases: "Universal Waste-Lamp(s)", or "Waste Lamp(s)", or "Used Lamp(s)".

3.3. The Respondent violated California Code of Regulations, title 22, section 66273.15(c) in that on or about November 9, 2005, Respondent failed to demonstrate the length of time that the used fluorescent lamps had been accumulated from the date it became a waste.

3.4. The Respondent violated California Code of Regulations, title 22, section 66273.16 in that on or about November 9, 2005, Respondent failed to inform all employees who handle or have responsibility for managing used fluorescent lamps of proper handling and emergency procedures appropriate to the universal waste(s) handled at Respondent's facility.

4. A dispute exists regarding the alleged violations.

5. The parties wish to avoid the expense of litigation and to ensure prompt compliance.

6. Jurisdiction exists pursuant to Health and Safety Code section 25187.

7. Respondent waives any right to a hearing in this matter.

8. This Consent Order shall constitute full settlement of the violations alleged above, but does not limit the Department from taking appropriate enforcement action concerning other violations.
